

The three tenets we embrace as we build The Pope Francis House include:

- To honor Pope Francis for his commitment to social justice and his work to reinvigorate the Catholic Church.
- To provide a unifying, celebratory opportunity for both Catholic and non-Catholic volunteers to work towards a common goal. As Pope Francis says, ‘Work confers dignity’
- Furthers Habitat Newark & Greater Elizabeth’s mission of building and preserving homes.

“The home represents the most precious human treasures, that of encounter, that of relations among people, different in age, culture and history, but who live together and together help one another to grow. For this reason, the home is a crucial place in life, where life grows and can be fulfilled, because it is a place in which every person learns to receive love and to give love.”

About Habitat for Humanity Newark & Greater Elizabeth, Inc.

Habitat for Humanity Newark & Greater Elizabeth is an ecumenical Christian ministry dedicated to building simple, decent, affordable homes for low-income families in Essex & Union Counties. We build homes with hardworking Partner Families who supply at least 200 hours of sweat equity. We are proud that nearly 100 families have benefited from homes built with the generous donations from individuals, corporations, foundations, and faith-based organizations and with the support from thousands of volunteers and other local non-profit organizations who have partnered with us over the years.

Habitat for Humanity's mission is rooted in faith-based principals of compassion and service to our community. Members of our faith-based community are some of the most important contributors to our work. Locally, Habitat for Humanity Newark & Greater Elizabeth welcomes congregations of all faiths to partner with us in building safe, decent, affordable housing for all people.
