

Home Fire Escape Plan

Home Fire Campaign FREE SMOKE ALARM INSTALLS

This free service is courtesy of Habitat for Humanity Greater Newark's partnership with the American Red Cross and the Home Fire Campaign

Through the Home Fire Campaign, the American Red Cross and its partners can install a limited number of free smoke alarms for those who cannot afford to purchase smoke alarms, or for those who are physically unable to install a smoke alarm.

American Red Cross
New Jersey Region

- Free smoke alarms and installation in your home
- Battery life expected to last approximately 10 years
